

Outdoor Sports Facilities -COVID Guidelines

Step One

1. Any person who enters or uses the outdoor amenities must [self-screen](#) prior to entering the premises.
2. The permit holder is responsible for collecting contact information for all participants, parents/guardians and staff/coaches in each group. This information should be kept according to the direction of the local Health Department for a minimum of 30 days.
3. Physical distance of at least two metres from any other person who is using the amenity.
4. Every person shall wear a mask or face covering when they are within two metres of another individual who is not part of their household.
5. Masks or face coverings are highly recommended on paths leading to parking lots, fields, and other park amenities.
6. Sports may only be practiced or played within the facility if they do not allow for physical contact between players or if they have been modified to avoid physical contact between the players.
7. You are permitted to have two groups of 10 on the field at one time again, ensuring there are no more than 10 participants grouped together and all participants physically distance by two metres. All groups will need to be separated to ensure there is no comingling. The 10 participants **do not** include coaches and trainers.
8. Players/spectators are permitted to enter the field or park amenity no earlier than **10 minutes prior** to their start time and must **exit within 10 minutes** of the ending time.
9. Spectators are not allowed however each child under 18 is permitted to have **one** guardian accompany them.
10. Team sports must not be practiced or played at the facility, with the exception of training sessions for members of a sports team that do not include games or scrimmage games

Step Two

11. Any person who enters or uses the outdoor amenities must [self-screen](#) prior to entering the premises.
12. The permit holder is responsible for collecting contact information for all participants, parents/guardians and staff/coaches in each group. This information should be kept according to the direction of the local Health Department for a minimum of 30 days.
13. Physical distance of at least two metres from any other person who is using the amenity.

14. Every person shall wear a mask or face covering when they are within two metres of another individual who is not part of their household.
15. Masks or face coverings are highly recommended on paths leading to parking lots, fields, and other park amenities.
16. Sports may only be practiced or played within the facility if they do not allow for physical contact between players or if they have been modified to avoid the risk of physical contact between the players.
17. Players/spectators are permitted to enter the field or park amenity no earlier than 10 minutes prior to their start time and must exit within 10 minutes of the ending time.
18. Spectator guidelines: No spectators for adult leagues. A maximum of two spectators per youth under the age of 18. Spectators must wear a mask or face covering when they cannot maintain a physical distance of at least 2 metres from those outside their household. Spectators on bleachers or benches must maintain a physical distance of at least two metres.
19. A maximum of 100 people per facility. The 100 person capacity is dependent on the ability for people on the field or park to be able to maintain a 2 metre distance when required.
